@ mike.c0321@gmail.com
Raleigh, NC

SUMMARY

Highly motivated front-end developer with technical skills in web applications designing and development, possessing knowledge of various languages and tools with a fierce passion around the user experience. Skilled in front-end technologies with an uncommon ability to grasp and utilize new technical concepts to achieve project objectives. Graduate of an immersive 12-week, full-time coding bootcamp.

PROJECT EXPERIENCE

Foodstre.am <https://github.com/foodstream>

- A Single Page App built with AngularJS for people who believe edible food should be eaten
- Designed with the intention of connecting parties with a surplus of food/produce with those that can use it so not to let it go to waste.
